RER User Guide

Friday, 31 May 2024   9:31 PM

HOME

Displays all objects' summary tile and is viewable by any user regardless of if they are logged in or not.

Clicking on the logo "Ruby Equine Records" will redirect you to this HOME page

Filtering is applied dynamically and can be done with both name and tag. All filter conditions must match

OBJECT

Displays all current data associated with the object

Event completion checkbox and comment adding are both optimistic rendering and will update the page state on next reload

Object management only available if logged in user is the creator of the object

Event completion is also only available to the creator

Comment deletion is available to the comment creator or the

object creator

are options. Will used the same colour

associated events, comments, flags, tags and associations

Manage Object

Choose a Tag ▾ | Add Tag | Add new tag... | ⬛ | +

Edit Object | Delete Object | Override ⦿

Opens Edit Object page with prefilled current data

Add new tag name and select its colour

Toggle switch to enable Delete buttons

Name
Choose an Owner ▾

Dropdown with all existing defined owners to associate the object with

Update Owner

OBJECT EVENTS

Displays all events associated with the object

Event completion checkbox is optimistic rendering and will update the page state on next reload

Done and Edit columns only available if the logged in user is the creator of the object

Ruby Equine Records   Create an object   Create an owner   Create an event   Owners   Calendar   andrew   Logout

urgableh   [Steve]
Geraldton

andrew   [Info]

Completed events are sorted by date and separated to the bottom of the table

Incomplete events are sorted by date and separated to the top of the table

Opens Edit Event page with prefilled data

All Events

Start Date	End Date	Event Title	Event Body	Done	Edit
Sun May 26 2024	Mon May 27 2024	Test	This event description is just for show and doesn't really mean anything.	☐	✎
Tue May 28 2024	Tue May 28 2024	Clone	Hehehe	✓	✎
Thu May 30 2024	Thu May 30 2024	Bathe	Smelly boi	✓	✎

Mark as done or undone

CREATE [OBJECT/ OWNER/ EVENT/]

Each form has its own validation schema and not all parameters are required

After creation, Object redirects to HOME, Owner redirects to OWNER, Event redirects to CALENDAR

Create Object

Name   ⓘ

name is a required field

Only some parameters are required, and creation will be rejected if not valid

Stable Name
Perth
